21—90.22(203C) **Warehouse operator’s obligation and storage.** A warehouse operator shall at all times maintain sufficient quality and quantity of stored products in the warehouse to cover the obligations as examination of the records shall indicate. If, at the time of an examination, a shortage is determined, a warehouse operator shall purchase and make actual payment in the manner approved by the bureau for a sufficient quantity and quality of the commodity to fully cover the shortage by the end of the second business day after notice by the bureau, excluding weekends or holidays, unless the bureau chief receives within the same time period a confirmation from a surety company or financial institution for 100 percent bonding of the deficiency. Any shortage secured by 100 percent bonding within the allotted time period shall be covered in full within 30 days from the discovery of the shortage. A warehouse operator who does not have a sufficient quantity or quality of grain to satisfy the warehouse operator’s obligation based on an examination by the department shall not purchase grain by credit-sale contract to correct the shortage of grain. The department may suspend the license of any licensee who has a shortage and who is unable to satisfy the requirements of this rule.

This rule is intended to implement Iowa Code sections 203C.1 and 203C.17.
