

265—29.3 (16) Grants to local government participants.**29.3(1) Allocation criteria.**

a. Initial allocation, loans to local government participants. The authority shall make an initial allocation of the funds made available for the program to the local government participants pro rata based on the funds awarded by FEMA under its housing assistance program to each local government participant's jurisdiction as a percentage of the total amount of funds awarded as a result of the natural disasters of 2008. The authority shall enter into a grant agreement with each local government participant, pursuant to which the authority may disburse funds to the local government participant for the purposes described in this chapter. The grant agreement shall be prepared by the authority and may contain such terms and conditions, in addition to those specified in this chapter, as the executive director may deem to be necessary and convenient to the administration of the program and to the efficient and responsible use of the granted funds.

b. Funds made available pursuant to 2009 Iowa Acts, Senate File 376. The authority shall allocate program funds made available under 2009 Iowa Acts, Senate File 376, section 29, Disaster Damage Housing Assistance Grant Fund [creating new Iowa Code section 16.186], by inviting local government participants to submit an application for funding. The authority shall award program funding made available under this paragraph based upon priority criteria to be specified in the application form including, but not limited to, the following:

- (1) The applicant's demonstrated maximum use and leverage of other disaster recovery resources; and
- (2) Provision of program assistance to the maximum number of potential eligible residents with priority given to eligible residents who:
 1. Have not received any moneys under the program;
 2. Are in need of an interim mortgage assistance extension meeting the conditions specified in subrule 29.5(2); and
 3. Are not eligible for assistance under the requirements of other available disaster recovery assistance programs.

29.3(2) Review of requests for assistance. The local government participant shall accept and review each request for assistance and shall determine whether the requesting party is an eligible resident. If the requesting party is determined an eligible resident, the local government participant shall determine whether the funds are being requested for a use permitted under the program and the amount available to the eligible resident under the terms of the program.

29.3(3) Coordination with the jump-start business assistance program. For presidentially declared disaster areas outside a COG region, counties may elect to apply singly, join with other counties, or join with an adjacent COG region. Likewise, a city named in the definition of "local government participant" in rule 265—29.2(16) may join with a COG, county, or multicounty entity. To the extent local government participants act jointly or cooperatively in their participation in the small business disaster recovery financial assistance program administered by the Iowa department of economic development pursuant to 261—Chapter 78, Iowa Administrative Code, the authority may require the local government participants to similarly act jointly or cooperatively in their participation under this chapter.

29.3(4) Reallocation of unused funds. Following one year, or following any three-month period during which a local government participant has requested no draws, the authority may reallocate all or part of any remaining portion of funds allocated to that local government participant to another local government participant with a demonstrated need for program funds.

29.3(5) Administrative fees. Each local government participant shall be entitled to receive an administrative fee equal to 5 percent of its initial disbursement, which shall consist of 30 percent of the local government participant's initial allocation. Subsequent thereto, each local government participant shall receive 5 percent of the funds loaned by the local government participant to eligible residents

under the program from subsequent disbursements. The administrative fee shall be paid from the allocation made to each such local government participant by the authority pursuant to subrule 29.3(1).

29.3(6) Proceeds of repayments. All loan amounts repaid to a local government participant by an eligible resident pursuant to this chapter shall be returned to the authority's housing assistance fund created by Iowa Code Supplement section 16.40.
