

**801—10.14 (35D) Computation of member support.** As a condition of admittance to and residency in IVH, each member is required to contribute toward the cost of that member's care based on that member's resources and ability to pay.

**10.14(1)** A monthly member support bill shall be sent to the member or legal representative charging the member for care in the previous month with any necessary adjustment for prior months. A member may be required to pay member support charges from the member's liquid assets, long-term care insurance benefits, or from the member's income. The monthly member support charge shall be the billable days, as set out in subrule 10.14(3), multiplied by the appropriate per diem from rule 801—10.15(35D). This amount shall be reduced by any offsets as set out in subrules 10.15(2) and 10.15(3). The member or legal representative shall pay an amount not to exceed the amount calculated based on the resources available for the cost of care as set out in this chapter.

**10.14(2)** Title XIX residents. If a member is certified as eligible and participating in the Title XIX program, the amount of payment shall be determined by the department of human services income maintenance worker.

**10.14(3)** Billable days (non-Title XIX). Billable days for members not participating in the Title XIX program shall be counted as follows:

- a.* All days in the month for which the member received care (in-house).
- b.* All days away from IVH on pass status.
- c.* All furlough days in excess of the 15 free days up through the fifty-ninth furlough day. Any furlough days in excess of 59 days shall be considered billable, but the member must pay the full member support, not the amount determined by resources.
- d.* The first ten days of each hospitalization. On the eleventh day the member's bed shall be held without charge until the termination of hospital stay and member returns to IVH.
