

**821—2.15 (48A) Verification of voter registration information.** All new voter registration applications shall be verified. The registrar may arrange with the department of transportation for county commissioners of elections to verify voter registration records without submitting the registration information to the registrar.

**2.15(1)** When the application is received, the commissioner shall compare the Iowa driver's license number, Iowa department of transportation-issued nonoperator's identification card number, or the last four digits of the social security number of each mail application with the records of the department of transportation.

**2.15(2)** All of the following information on the application must match an existing record:

*a.* All digits and numerals in the Iowa driver's license number, Iowa department of transportation-issued nonoperator's identification card number, or the last four digits of the social security number.

*b.* Name.

*c.* Date of birth, including the month, day and year.

**2.15(3)** If all three required elements do not match, the applicant shall be assigned a status of "pending" with reason "DL or SSN Not Verified." The applicant shall be notified that the applicant's voter registration is in pending status and the applicant will be required to show identification pursuant to 721—21.3(49,48A) before voting in the county. The notice shall include the following statement:

"Your voter registration application is pending because the information you provided on your application could not be verified. Your name, date of birth and identification number were compared to the Iowa driver's license records and your identification number cannot be verified.

"Before voting for the first time in this county, you will be required to show identification. You may submit identification either by showing your identification in person when you vote or by mailing a photocopy of your identification to the county auditor's office."

**2.15(4)** If the application is verified, the registration record shall be made "active." The registrar or commissioner shall keep records showing whether the information in the application was verified and the date of the verification. If the application cannot be verified, the record shall show what information on the application did not match an existing record. The verification record shall be kept for the period of time required in Iowa Code section 48A.32.
