

491—12.11(99F) Slot machines—keys.

12.11(1) Each slot machine shall have a container(s) that is housed in a locked compartment(s) separate from any other compartment of the slot machine. Facilities shall ensure:

a. Keys to each compartment securing a container are maintained and controlled in a secured area by the security department. The facility shall establish a sign-out procedure for all keys removed from the secured area.

b. Each container is identified at time of removal by a number corresponding to the casino number of the slot machine from which the container is removed.

12.11(2) With the exception of the keys to the compartment housing the container, keys to each slot machine or any device connected thereto which may affect the operation of the slot machine shall be maintained in a secure place and controlled by the slot department.
