

491—6.15(99D) Disclosure of ownership of racing animals. All entities of ownership (individual, lessee, lessor, general partnership, or corporation) and all trainers are responsible for making full and accurate disclosure of the ownership of all racing animals registered or entered for racing. Disclosure shall identify in writing all individuals or entities that, directly or indirectly, through a contract, lien, lease, partnership, stockholding, syndication, joint venture, understanding, relationship (including family relationship), present or reversionary right, title or interest, or otherwise hold any interest in a racing animal, and those individuals or entities who by virtue of any form of interest might exercise control over the racing animal or may benefit from the racing of the animal. The degree and type of ownership held by each individual person shall be designated. The transfer of a racing animal to avoid application of a commission rule or ruling is prohibited and constitutes grounds for discipline.
