

661—374.5(103A) Certification period. Installer certifications and recertifications shall be issued for three years and shall expire on June 30 of the third year of the certification period. Certifications and recertifications issued after July 1 shall cover the remainder of the fiscal year in which they are issued and the following two state fiscal years.

EXCEPTION: If as of June 1, 2009, statutory language regarding fees collected for certification and recertification of manufactured housing installers does not clearly provide that any such fees collected are exempt from reversion to the state treasury pursuant to Iowa Code section 8.33, then all current certificates shall be modified to expire after one year rather than three years from their effective dates.
