

441—58.22(234) General provisions. Emergency assistance is available to families with children (including migrant families), who are faced with a crisis situation causing a threat to the families' living arrangements. Emergency assistance is also available to children who are living on their own but who have been living, within the six months prior to applying for the program, with a relative as defined at 441—paragraph 41.22(3)“a,” provided an emergency exists. The program is operated statewide and is funded on a fiscal-year basis (from July through June). When funds are expended prior to the end of the fiscal year, the program will be discontinued until funding is received for the next fiscal year in accordance with rule 441—58.30(234). Emergency assistance is not intended as a substitute for regular assistance grants from an ongoing program but is intended to be the program of last resort when no other sources of assistance are available. Emergency assistance shall also be provided for that portion of an emergency need not covered by benefits from other programs due to those programs' limitations.
