

761—810.1(327C) Track safety standards.

810.1(1) *Standards.* The department adopts the railroad track safety standards contained in 49 CFR Part 213 (October 1, 2017).

810.1(2) *Obtaining copies of regulations.* Copies of the federal regulations are available from the state law library or online at www.gpo.gov.

This rule is intended to implement Iowa Code sections 307.26 and 327C.4.
