

681—3.26(8A) Sick leave. An employee who is transferred, promoted or demoted from one position to another position under this system will not lose any accumulated sick leave as a result thereof.

A permanent employee who has recovered after exhausting all accumulated sick leave and vacation time and has a medical release to return to work will, at the employee's request, be given recall priority consistent with subrule 3.21(1), effective with the date the employee was released to return to work.
