

481—203.6(88) Representatives of employers and employees.

203.6(1) Compliance safety and health officers shall be in charge of inspections and questioning of persons. A representative of the employer and a representative authorized by employees shall be given an opportunity to accompany the compliance safety and health officer during the physical inspection of any workplace for the purpose of aiding the inspection. A compliance safety and health officer may permit additional employer representatives and additional representatives authorized by employees to accompany the compliance safety and health officer where the compliance safety and health officer determines that the additional representatives will further aid the inspection. A different employer and employee representative may accompany the compliance safety and health officer during each different phase of an inspection if this will not interfere with the conduct of the inspection.

203.6(2) Compliance safety and health officers shall have authority to resolve all disputes as to who is the representative authorized by the employer and employees for the purpose of this rule. If there is no authorized representative of employees, or if the compliance safety and health officer is unable to determine with reasonable certainty who is the representative, the compliance safety and health officer should consult with a reasonable number of employees concerning matters of safety and health in the workplace.

203.6(3) A representative authorized by employees may be an employee of the employer. However, if in the judgment of the compliance safety and health officer, good cause has been shown why accompaniment by a third party who is not an employee of the employer (such as an industrial hygienist or a safety engineer) is reasonably necessary to the conduct of an effective and thorough physical inspection of the workplace, the third party may accompany the compliance safety and health officer during the inspection.

203.6(4) Compliance safety and health officers are authorized to deny the right of accompaniment under this rule to any person whose conduct interferes with a fair and orderly inspection.

This rule is intended to implement Iowa Code sections 88.6(1) and 88.6(4).
