

481—381.3(17A,89) Content of petition. The required form for a petition for waiver is available on the department's website. A petition for waiver shall include the following information where applicable and known to the petitioner:

381.3(1) The name, address, and telephone number of the entity or person for whom a waiver is being requested; the case number of or other reference to any related contested case; and the name, address, and telephone number of the petitioner's legal representative, if any.

381.3(2) A description of and citation referencing the specific rule from which a waiver is requested.

381.3(3) The specific waiver requested, including the precise scope and duration.

381.3(4) The relevant facts that the petitioner believes would justify a waiver under each of the four criteria described in rule 481—381.1(17A,89). This statement shall include a signed statement from the petitioner attesting to the accuracy of the facts provided in the petition and a statement of reasons that the petitioner believes will justify a waiver.

381.3(5) A history of any prior contacts between the board, other departments or agencies of the state of Iowa, or political subdivisions and the petitioner relating to the boiler or pressure vessel affected by the proposed waiver.

381.3(6) The name, address, and telephone number of any public agency or political subdivision that might be affected by the granting of a waiver.

381.3(7) The name, address, and telephone number of any entity or person who would be adversely affected by the granting of a petition.

381.3(8) The state boiler identification number of the relevant object.
