

481—402.3(103) Action against an unlicensed person. If a person who is not licensed by the board has engaged in or is engaging in work requiring licensure by the board, the board may assess a civil penalty against the person, may seek an injunction to prevent the person from continuing to engage in such work, or both. A person who is accused of engaging in work where licensure is needed by law without having such a license will be notified of the specific allegations and intended remedial action by registered mail, return receipt requested, or by personal service. A person who is notified by the board of an intended remedial action under this rule may appeal the action as provided in rule 481—402.4(103). The intended remedial action becomes final 30 days after delivery of the notice if a timely request for an appeal is not received by the board.
