

**481—403.201(103) Continuing education requirements.** Each holder of a three-year license is to complete 18 hours of continuing education approved by the board between the time of issuance of the license and prior to issuance of a renewal license.

Exception:

A holder of a license in a category which may be issued for a three-year period whose license is issued for less than a three-year period only needs to complete six hours of continuing education prior to renewal of the license for each year or portion of a year for which the license has been issued.
