

641—154.37(124E) Recordkeeping requirements.

154.37(1) *Dispensary sales.* Within one business day of sale, a dispensary shall record complete and accurate electronic sales transaction records in the secure sales and inventory tracking system, including:

- a.* The name of the patient and, if purchase is made by the primary caregiver, the name of the primary caregiver;
- b.* The date and time of each sale;
- c.* The item number, product name and description, and quantity of medical cannabidiol sold;
- d.* The sale price;
- e.* Other information required by the department.

154.37(2) Reserved.
