

661—82.108(692) Scope of record checks for non-criminal justice agencies and individuals. Record checks made for non-criminal justice agencies and individuals pursuant to these rules are based upon name, including maiden name and aliases, if any, and birth date. This information may not be sufficient to effect a precise identification of a subject. A record check based solely upon name and birth date may refer to multiple subjects or may not result in positive identification of the subject of the request. The records of the department are based upon reports from other agencies. The department, therefore, cannot warrant the completeness or accuracy of the information provided. Agencies and individuals that receive criminal history information are therefore advised to verify all information received from the department to the extent possible (e.g., by contacting the reported arresting agency or court).
