IAC Ch 351, p.1

**645—351.5(152D) Documentation of physician direction.** Each licensee must maintain documentation of physician direction. It is the responsibility of the licensee to ensure that documentation of physician direction is obtained and maintained, including the following:

- 1. Athletic training service plan as set out in 645—351.6(152D);
- 2. Dates and names of physician and physician assistant orders or referrals;
- 3. Initial evaluations and assessments;
- 4. Treatments and services rendered, with dates; and
- 5. Dates of subsequent follow-up care.
