

645—41.5(151) Temporary certificate.

41.5(1) The board may issue a temporary certificate to practice chiropractic if the issuance is in the public interest. A temporary certificate may be issued at the discretion of the board to an applicant who demonstrates a need for the temporary certificate and meets the professional qualifications for licensure.

41.5(2) Demonstrated need. An applicant must establish that a need exists for the issuance of a temporary certificate and that the need serves the public interest. An applicant must submit information explaining the demonstrated need, the scope of practice requested by the applicant, and why a temporary certificate should be granted. An applicant may only meet the demonstrated need requirement by proving that the need meets one of the following conditions:

a. The applicant will provide chiropractic services in connection with a special activity, event or program conducted in this state;

b. The applicant will provide chiropractic services in connection with a state emergency as proclaimed by the governor;

c. The applicant previously held an unrestricted license to practice chiropractic in this state and will provide gratuitous chiropractic services as a voluntary public service; or

d. The applicant will provide chiropractic services in connection with an urgent need.

41.5(3) Professional qualifications. The applicant shall:

a. Submit the board-approved application form. Applications may be obtained from the board's website (www.idph.iowa.gov/licensure) or directly from the Board of Chiropractic, Professional Licensure Division, Fifth Floor, Lucas State Office Building, Des Moines, Iowa 50319-0075.

b. Provide verification of current active licensure in the United States sent directly to the board office from the state in which the applicant is licensed.

c. Submit proof of two years of full-time chiropractic practice within the immediately preceding two years.

d. Provide a copy of a chiropractic diploma (no larger than 8½" × 11") from a chiropractic school accredited by the CCE and approved by the board and submit an official certificate of completion of 120 hours of physiotherapy from a board-approved chiropractic college. The physiotherapy course must include a practicum component.

41.5(4) If the application is approved by the board, and the applicant submits the temporary certificate fee pursuant to 645—subrule 5.4(2), a temporary certificate shall be issued authorizing the applicant to practice chiropractic for one year to fulfill the demonstrated need for temporary licensure, as stated on the application and described in subrule 41.5(2).

41.5(5) An applicant or temporary certificate holder who has been denied a temporary certificate may appeal the denial pursuant to rule 645—4.10(17A,147,272C). A temporary certificate holder is subject to discipline for any grounds for which licensee discipline may be imposed.

41.5(6) A temporary certificate holder who meets all licensure conditions as specified in rule 645—41.2(151) may obtain a permanent license in lieu of the temporary certificate. To obtain a permanent license, the applicant shall submit any additional documentation required for permanent licensure that was not submitted as a part of the temporary certificate application. The applicant may receive fee credit toward the permanent licensure fee equivalent to the fee paid for the temporary certificate if the application for the permanent license and all required documentation are received by the board prior to the expiration of the temporary certificate.
