

567—134.7 (455B) Certification requirements for UST compliance inspectors. A person retained by an owner or operator of an UST facility for the purpose of establishing compliance with the annual UST compliance inspection required by the department under 567—135.20(455B) must hold a current UST compliance inspector certification issued by the department. Inspector certification will be issued by the department only to a person who:

1. Is an Iowa-licensed UST installer or installation inspector under 591—Chapter 15, except that the requirement as set forth under 591—subrule 15.3(4) shall not be applicable to a certified UST compliance inspector.
2. Attends the required training approved by the department as provided in 567—134.10(455B).
3. Achieves a passing grade of 85 percent on a certification examination administered or approved by the department as provided in 567—134.10(455B).
4. Submits an accurate and complete application.
5. Is not found to be in violation of this chapter and has not had a certification revoked by the department pursuant to 567—134.16(455B) or by the underground storage tank fund board pursuant to 591—Chapter 15.
