

495—4.1(97B) Covered employers.

4.1(1) Definition. All public employers in the state of Iowa, its cities, counties, townships, agencies, political subdivisions, instrumentalities and public schools are required to participate in IPERS. For the purposes of these rules, the following definitions also apply:

a. "Political subdivision" means a geographic area or territorial division of the state which has responsibility for certain governmental functions. Political subdivisions are characterized by public election of officers and taxing powers. The following examples are representative: cities, municipalities, counties, townships, schools and school districts, drainage and levee districts, and utilities.

b. "Instrumentality of the state or a political subdivision" means an independent entity that is organized to carry on some specific function of government. Public instrumentalities are created by some form of governmental body, including federal and state statutes and regulations, and are characterized by being under the control of a governmental body. Such control may include final budgetary authorization, general policy development, appointment of a board by a governmental body, and allocation of funds.

c. "Public agency" means state agencies and agencies of political subdivisions. Representative examples include an executive board, commission, bureau, division, office, or department of the state or a political subdivision.

d. Effective July 1, 1994, the definition of employer includes an area agency on aging that does not offer an alternative plan to all of its employees that is qualified under the federal Internal Revenue Code.

Covered employers include, but are not limited to: the state of Iowa and its administrative agencies; counties, including their hospitals and county homes; cities, including their hospitals, park boards and commissions; recreation commissions; townships; public libraries; cemetery associations; municipal utilities including waterworks, gasworks, electric light and power; school districts including their lunch and activity programs; state colleges and universities; and state hospitals and institutions.

An entity not already reporting to IPERS which meets the conditions for becoming an IPERS covered employer shall immediately contact IPERS to provide notice which includes the name and address of the entity and other information required by IPERS. If, after review of this information, IPERS determines that the entity should be enrolled as a covered employer, IPERS will notify the entity and provide an IPERS account number for the entity to use when submitting information. IPERS shall not be required to provide benefits otherwise available under Iowa Code chapter 97B for periods of service prior to the effective date for which IPERS actually approves the entity for coverage, unless the employer agrees to pay the full actuarial cost of providing such benefits.

An employer may request a revised beginning date for its status as a covered employer. The employer must submit acceptable proof to IPERS that its status as a covered employer began earlier than the date previously provided. In such case, the employer shall provide IPERS coverage retroactively to all employees providing services to that employer on or after the revised beginning date and shall pay all actuarial costs.

4.1(2) Name change. Any employer which has a change of name, address, title of the employer, its reporting official or any other identifying information shall immediately give notice in writing to IPERS. The notice shall provide IPERS with the following information:

- a.* Former name;
- b.* Former address;
- c.* IPERS account number;
- d.* New name, address, and telephone number of the employer;
- e.* Reason for the change if other than a change of reporting official; and
- f.* Effective date of the change.

4.1(3) Termination. Any employer which terminates or is dissolved for any reason shall provide IPERS with the following:

- a.* Complete name and address of the dissolved entity;
- b.* Assigned IPERS account number;
- c.* Last date on which wages were paid;
- d.* Date on which the entity dissolved;

- e.* Reason for the dissolution;
- f.* Whether or not the entity expects to pay wages in the future;
- g.* Whether the entity is being absorbed by another covered employer;
- h.* Name and address of absorbing employer if applicable; and
- i.* Name and address of employer that will retain the records of the dissolved entity.

4.1(4) Reports of dissolved or absorbed employers. An employer that has been dissolved or entirely absorbed by another employer is required to file a monthly report with IPERS through the effective date on which it was dissolved or absorbed. Any wages paid after this date are reported under the account number assigned to the new or successor employer, if any.

4.1(5) IPERS account number. Each employer is assigned an IPERS account number. This number should be used on all correspondence and reporting forms directed to IPERS.

4.1(6) For patient advocates employed under Iowa Code section 229.19, the county or counties for which services are performed shall be treated as the covered employer(s) of such individuals, and each such employer is responsible for forwarding reports and for withholding and forwarding the applicable IPERS contributions on wages paid by each employer.
