

**875—76.3(89A) Alteration permit application.** When application is made for an alteration permit, drawings and specifications of all changes to be made shall be submitted. For construction personnel hoists, if a complete installation permit application with blueprints was submitted to the labor commissioner, notice of intent to put additional floors into service shall be provided to the labor commissioner at least seven days in advance. For a construction personnel hoist installed prior to July 1, 2008, without an installation permit, a completed alteration permit shall be submitted to the labor commissioner at least seven days before the construction personnel hoist is ready for inspection each time additional floors are added.
