

141—4.3(2C) Contents, style, and form of rule.

4.3(1) Contents. Each rule adopted by the agency shall contain the text of the rule and, in addition:

1. The date the agency adopted the rule;
2. A statement of the purpose of the rule;
3. A reference to all rules repealed, amended, or suspended by the rule;
4. A reference to the specific statutory or other authority authorizing adoption of the rule; and
5. The effective date of the rule.

4.3(2) Incorporation by reference. The agency may incorporate, by reference in an adopted rule, and without causing publication of the incorporated matter in full, all or any of a code, standard, rule, or other matter if the agency determines that the incorporation of its text in the agency-adopted rule would be unduly cumbersome, expensive, or otherwise inexpedient.

a. The reference in the agency-adopted rule shall fully and precisely identify the incorporated matter by location, title, citation, date, and edition, if any; shall briefly indicate the precise subject and the general contents of the incorporated matter; and shall state that the adopted rule does not include any later amendments or editions of the incorporated matter.

b. The agency may incorporate such matter by reference in an adopted rule only if the source from which the matter originated makes copies of it readily available to the public. The agency shall retain permanently a copy of any material incorporated by reference in a rule of the agency. The rule shall state how and where copies of the incorporated matter may be obtained at cost from the agency or the originating source.

4.3(3) References to materials not published in full. When the administrative code editor decides to omit the full text of an adopted rule because publication of the full text would be unduly cumbersome, expensive, or otherwise inexpedient, the agency shall submit to the administrative code editor for inclusion in the Iowa Administrative Code a summary statement describing the specific subject matter of the omitted material.

a. This summary statement shall include the title and a brief description sufficient to inform the public of the specific nature and subject matter of the adopted rule and of significant issues involved in the rule. The statement shall also describe how a copy of the full text of the adopted rule, including any unpublished matter and any matter incorporated by reference, may be obtained from the agency. The agency will provide a copy of that full text at actual cost upon request.

b. At the request of the administrative code editor, the agency shall provide a proposed statement explaining why publication of the full text would be unduly cumbersome, expensive, or otherwise inexpedient.

4.3(4) Style and form. In preparing its rules for publication in the Iowa Administrative Code, the agency shall follow the uniform numbering system, form and style prescribed by the administrative rules coordinator.
