

701—42.49 (422) Volunteer fire fighter and volunteer emergency medical services personnel tax credit. Effective for tax years beginning on or after January 1, 2013, a tax credit is available for individual income tax for volunteer fire fighters and volunteer emergency medical services (EMS) personnel.

42.49(1) Definitions. The following definitions are applicable to this rule:

“Emergency medical services personnel” or *“EMS personnel”* means an emergency medical care provider, as defined in Iowa Code section 147A.1, who is certified as a first responder in accordance with Iowa Code chapter 147A.

“Volunteer fire fighter” means a volunteer fire fighter, as defined in Iowa Code section 85.61, who has met the minimum training standards established by the fire service training bureau pursuant to Iowa Code chapter 100B.

42.49(2) Calculation of the credit.

a. The credit is equal to \$50 if the volunteer fire fighter or volunteer EMS personnel was a volunteer for the entire year.

b. If the individual was not a volunteer fire fighter or volunteer EMS personnel for the entire year, the \$50 credit is prorated based on the number of months the individual was a volunteer. If the individual was a volunteer during any part of a month, the individual will be considered a volunteer for the entire month. The amount of credit will be rounded to the nearest dollar.

EXAMPLE: An individual became a volunteer fire fighter on April 15, 2013, and remained a volunteer for the rest of calendar year 2013. The individual is considered a volunteer for nine months of 2013. The tax credit for 2013 is equal to \$38 (\$50 multiplied by 9/12 equals \$37.50; rounding to the nearest dollar results in a \$38 credit).

c. If an individual is both a volunteer fire fighter and a volunteer EMS personnel during the same month, a credit can be claimed for only one volunteer position for that month. Therefore, if an individual was both a volunteer fire fighter and volunteer EMS personnel for all of 2013, the tax credit will equal \$50.

42.49(3) Verification of eligibility for the tax credit. An individual is required to have a written statement from the fire chief or other appropriate supervisor verifying that the individual was a volunteer fire fighter or volunteer EMS personnel for the months for which the tax credit is being claimed. The written statement does not have to be attached to a tax return claiming the credit. However, the individual may be requested to provide the written statement upon request by the department.

This rule is intended to implement Iowa Code section 422.12 as amended by 2012 Iowa Acts, Senate File 2322.
