

661—505.101 (103) Program approval.

505.101(1) Any institution that plans to offer a postsecondary electrical education program to prepare students to be licensed by the board shall submit an application to the board office on a form specified by the board. Only applications from institutions which are currently accredited by recognized regional or national educational accrediting organizations shall be approved.

505.101(2) For any postsecondary electrical education program for which approval is sought on or after September 1, 2011, approval by the board shall be obtained prior to student participation in the postsecondary electrical education program.

505.101(3) An application for initial approval of a postsecondary electrical education program shall be submitted to the board not less than 120 days prior to student participation in the program.

505.101(4) Approval of a postsecondary electrical education program is normally for five years, although approval may be withdrawn for cause prior to the expiration of the five-year period.

505.101(5) Applications for renewal of approval of postsecondary electrical education programs shall be submitted to the board at least 120 days prior to the expiration of the five-year approval period.

505.101(6) Information regarding approved postsecondary electrical education programs may be obtained by contacting the board office. A list of approved postsecondary electrical education programs shall be posted on the board's Web site.
