

265—39.2 (16) Definitions. When used in this chapter, unless the context otherwise requires:

“*Activity*” means one or more specific housing activities, projects or programs assisted through the HOME partnership program.

“*Administrative plan*” means a document that a HOME recipient establishes that describes the operation of a funded activity in compliance with all state and federal requirements.

“*CHDO*” means a community housing development organization, which is a nonprofit organization registered with the Iowa secretary of state and certified as such by IDEED or IFA, pursuant to 24 CFR 92.2 (April 1, 1997).

“*Consolidated plan*” means the state’s housing and community development planning document and the annual action plan update approved by HUD.

“*Development subsidies*” means financial assistance provided to developers of newly constructed, single-family housing to address the added costs of constructing housing. In such cases, the total cost of development is likely to exceed the sales price or the appraised fair market value of the housing. Additional costs might include labor, materials and equipment; professional design and construction oversight costs; and required third-party energy efficiency verification and certification costs.

“*Displaced homemaker*” means an individual who (1) is an adult; (2) has not worked full-time/full-year in the labor force for a number of years but has, during such years, worked primarily without remuneration to care for the home and family; and (3) is unemployed or underemployed and is experiencing difficulty in obtaining or upgrading employment.

“*First-time home buyer*” means an individual or an individual and the individual’s spouse who have not owned a home during the three-year period before the purchase of a home with HOME assistance, except that an individual who is a displaced homemaker or single parent may not be excluded from consideration as a first-time home buyer on the basis that the individual, while a homemaker, owned a home with the individual’s spouse or resided in a home owned by a spouse; and an individual may not be excluded from consideration on the basis that the individual owns or owned, as a principal residence during the three-year period before purchase of a home with HOME assistance, a dwelling unit whose structure is (1) not permanently affixed to a permanent foundation in accordance with local or other applicable regulations or (2) not in compliance with state, local or model building codes and cannot be brought into compliance with such codes for less than the cost of constructing a permanent structure.

“*Gut rehabilitation*” means an activity or project that involves the total removal and replacement of all interior (nonstructural) systems, equipment, components or features of a multifamily structure, whereby the existing structure will be reduced down to the basic structure or exterior building shell (e.g., the foundation system; exterior walls; roofs; and interior structural components such as columns, beams, floors and structural bearing walls). “Gut rehabilitation” may also include structural or nonstructural modifications to the exterior of the structure.

“*HOME*” means the HOME Investment Partnership Program, authorized by the Cranston-Gonzalez National Affordable Housing Act of 1990.

“*HUD*” means the U.S. Department of Housing and Urban Development.

“*IDEED*” means the Iowa department of economic development.

“*IFA*” means the Iowa finance authority.

“*Iowa green communities criteria*” means a set of rating factors, some optional and some mandatory, prepared by IDEED and intended to promote public health, energy efficiency, water conservation, operational savings and sustainable building practices.

“*Lead hazard reduction or abatement carrying costs*” means the additional costs incurred by lead professionals to ensure that target housing is lead-safe at the completion of rehabilitation. “Lead hazard reduction or abatement carrying costs” includes, but is not limited to, required notifications and reports, lead hazard or abatement evaluations, revisions to project specifications to achieve lead safety, lead hazard reduction or abatement oversight, and clearance testing and final assessment.

“*LIHTC*” means low-income housing tax credits and federal tax incentives created through the Tax Reform Act of 1986 and allocated through IFA for affordable rental housing development.

“*Local financial support*” means financial investment by the recipient through the use of the recipient’s own discretionary funds that are a permanent financial contribution or commitment applied to and related to the objectives of the housing activity or project assisted through the HOME partnership program and that are used during the same time frame as the requested housing activity or project.

“*Local support*” means involvement, endorsement and investment by citizens, organizations and the governing body of the local government in which the housing project is located that promote the objectives of the housing activity or projects assisted through the HOME partnership program.

“*Net proceeds*” means the amount determined by calculating the difference between the resale price and the amount of the outstanding principal loan balance owed plus any seller’s reasonable and customary closing costs associated with the resale.

“*New construction rental units*” means the on-site construction or erection of a building, or buildings, for the purpose of providing rental housing units. New construction rental units include conventional, on-site, stick-built construction and on-site erection or fabrication of manufactured housing units or components of units. New construction rental units also include the addition of any rental units outside the existing walls (the building envelope) of an existing building, or buildings, that are part of a rental rehabilitation, renovation or conversion project.

“*Program income*” means funds generated by a recipient or subrecipient from the use of HOME funds.

“*Reasonable and customary closing costs*” means:

1. Seller’s reasonable and customary closing costs incurred include, but are not limited to: abstract updating, title search fees, deed preparation fees, bringing current the seller’s county taxes, and real estate commission fees. Ineligible costs include, but are not limited to: lender discount points, allowances, inspection fees, and buyer closing costs.

2. Buyer’s reasonable and customary closing costs incurred include, but are not limited to: lender origination fees, credit report fees, fees for the title evidence or title opinion, fees for recording and filing of legal documents, attorneys’ fees, appraisal fees, and required inspection fees. Ineligible costs under this definition include, but are not limited to: prepayment of taxes, prepayment of insurance, and lender discount points.

“Recaptured funds” means HOME funds which are recouped by the recipient when the housing unit assisted by the HOME partnership program home ownership funds does not continue to be the principal residence of the assisted home buyer for the full affordability period required by federal statute.

“Recipient” means the entity under contract with IFA to receive HOME funds and undertake the funded housing activity.

“Repayment” means HOME funds which the recipient must repay to IFA because the funds were invested in a project or activity that is terminated before completion or were invested in a project or activity which failed to comply with federal requirements.

“Single-family unit” means one dwelling unit designated or constructed to serve only one household or family as the primary residence. Single-family units include a detached single unit, condominium unit, cooperative unit, or combined manufactured housing unit and lot.

“Single parent” means an individual who (1) is unmarried or is legally separated from a spouse and (2) is pregnant or has one or more minor children for whom the individual has custody or joint custody.

“Technical services” means all services that are necessary to carry out individual, scattered site activities including but not limited to: (1) conducting initial inspections, (2) work write-up or project specification development, (3) cost estimate preparation, (4) construction supervision associated with activities that do not require an architect or engineer, (5) lead hazard reduction or lead abatement need determination and oversight, (6) lead hazard reduction or abatement carrying costs, (7) temporary relocation coordination, (8) financing costs such as security agreement preparation and recording or filing fees, (9) processing of individual applications for assistance, (10) income eligibility determination and verification, (11) value determination (new construction) or after rehabilitation value determination (existing structures), and (12) project-specific environmental clearance processes.

“Technical services provision” means the cost to provide other individual housing project-related services such as: (1) financing costs (security agreement preparation, recording and filing fees), (2) processing individual applications for assistance, (3) income eligibility determination and verification, (4) after rehabilitation value determination, and (5) project-specific environmental clearance.
