

193F—5.1(543D) General.

5.1(1) The certified residential real property appraiser classification qualifies the appraiser to appraise one- to four-unit residential properties without regard to value or complexity. The classification includes the appraisal of vacant or unimproved land that is utilized for one- to four-unit residential properties or for which the highest and best use is for one- to four-unit residential properties. The classification does not include the appraisal of subdivisions for which a development analysis/appraisal is necessary.

5.1(2) Certification is composed of three parts: education, examination, and experience, which includes work product review.

5.1(3) All certified residential real property appraisers must comply with USPAP.
