

**441—106.3 (237B) Providing for basic needs.**

**106.3(1)** A children's center shall provide the following for children in its care:

- a.* Adequate shelter;
- b.* Nourishing food and water; and
- c.* Opportunities for adequate sleep, exercise, cleanliness, and health maintenance.

**106.3(2)** A children's center shares responsibility for meeting these needs with the children's parents, guardians, or other primary caretakers, depending upon the amount of time the child spends in the children's center each day.
