

441—58.41(217) Purpose. The rules in this division are intended to allow the department to deliver services more effectively during or following a disaster emergency declared by state or federal officials. These rules temporarily supersede departmental rules that would otherwise apply, with the primary purpose of reducing barriers to accessing and receiving services that may result from the emergency. The rules shall be tailored to meet special circumstances that arise from a specific disaster emergency and shall be time-limited.

This rule is intended to implement Iowa Code section 217.6.
