

605—10.16(34A) Confidentiality. All financial or operations information provided by an originating service provider to the 911 program manager shall be identified by the provider as confidential trade secrets under Iowa Code section 22.7(3) and shall be kept confidential as provided under Iowa Code section 22.7(3) and 605—Chapter 5. Such information shall include numbers of accounts, numbers of customers, revenues, expenses, and the amounts collected from said originating service provider for deposit in the fund. Notwithstanding such requirements, aggregate amounts and information may be included in reports issued by the director if the aggregated information does not reveal any information attributable to an individual originating service provider.
