

261—67.2(78GA,ch1197) Definitions. When used in this chapter, the following definitions apply unless the context otherwise requires:

“*Actively engaged in farming*” means the same as defined in Iowa Code section 10.1.

“*Agricultural commodity*” means the same as defined in Iowa Code section 190C.1.

“*Agricultural land*” means land suitable for use in farming as defined in Iowa Code section 9H.1.

“*Animal*” means a creature belonging to the bovine, caprine, equine, ovine, or porcine species.

“*Corporation*” means a domestic or foreign corporation subject to Iowa Code chapter 490, a nonprofit corporation, or a cooperative.

“*Department*” means the Iowa department of economic development as defined in Iowa Code chapter 15.

“*Economic development board*” or “*board*” means the Iowa economic development board established by Iowa Code section 15.103.

“*Family farm entity*” means the same as defined in Iowa Code section 10.1.

“*Life science by-product*” means a commodity, other than a life science product, if the commodity derives from the production of a life science product and the commodity is not intended or used for human consumption.

“*Life science enterprise*” or “*enterprise*” means a corporation or limited liability company organized for the purpose of using biotechnological systems or techniques for the production of life science products.

“*Life science product*” or “*product*” means a product derived from an animal by using biotechnological systems or techniques and which includes any of the following:

1. Embryos or oocytes for use in animal implantation.
2. Blood, milk, or urine for use in the manufacture of pharmaceuticals or nutraceuticals.
3. Cells, tissue, or organs for use in animal or human transplantation.

“*Limited liability company*” means a limited liability company as defined in Iowa Code section 490A.102.

“*Person*” means an individual, group of individuals, corporation or limited liability corporation.

“*Successor enterprise*” means a corporation, person or limited liability company that is the transferee or successor in interest of all or a part of a particular life science activity of a life science enterprise, acquired on or after July 1, 2004, through sale, lease, license or other transfer.
