

261—67.5(78GA,ch1197) Review by board. Upon receipt of a life science enterprise plan that is timely filed with the department with the appropriate number of copies, the director shall promptly provide a copy of the plan to the department of agriculture and land stewardship for review and comment. The board shall consider any comments of the department of agriculture and land stewardship, review and approve or disapprove the life science enterprise plan in a public meeting to be held no later than 90 days after the date of filing of the plan with the department. The board may invite the life science enterprise to make an oral presentation to the board.
