

261—67.8(78GA,ch1197) Successor enterprise. A corporation, person or limited liability company, which is the successor or transferee of the interests in an approved life science enterprise, shall provide notice thereof to the board by filing such notice with the division of business development pursuant to rule 261—67.9(78GA,ch1197). The notice shall be filed within 30 days of the acquisition of the interest in a life science enterprise. A successor enterprise shall acquire or hold any agricultural land consistent with the terms of the approved life science enterprise plan, including any amendments to such plan, that is applicable to the particular life science activity.
