

817—14.5(15H) Special consideration. In addition to the standards set forth in rule 817—14.3(15H), the commission may consider other factors to determine approval status to ensure that only high-quality national service corps programs are approved.

14.5(1) *On-site audits.* At the discretion of the commission, on-site audits may be conducted to determine approval.

14.5(2) *Reporting.* Programs that fail to submit required documentation are at risk of decertification and may be deemed ineligible to receive the benefits of approval, including complimentary training registration and inclusion on the commission's website.
