

21—91.10(203) Filing of monthly grain statement and reports. A grain statement must be prepared at the close of business at the end of each calendar month and filed with the bureau by the tenth of the following month. The grain statement must be on a form or in a format prescribed by the bureau. The bureau will furnish forms to the dealer upon request. A grain statement must be filed for each calendar month regardless of whether the dealer has conducted any business during that period.

The bureau may require the dealer to file other types of reports, and the dealer must file with the bureau any such report requested by the bureau within the time period as is specified by the bureau.
