

**191—16.24(507B) Duties of producers.**

**16.24(1)** A producer who initiates an application for a policy or a contract shall submit to the insurer, with or as part of the application, a statement signed by both the applicant and the producer as to whether the applicant has existing policies or contracts. If the applicant does not have an existing policy or contract, the producer's duties with respect to replacement are complete.

**16.24(2)** If the applicant does have an existing policy or contract, the producer shall present and read to the applicant, not later than at the time of taking the application, a notice regarding replacements in the form as described in Appendix A or other substantially similar form approved by the commissioner. No approval shall be required when amendments to the notice are limited to the omission of references not applicable to the product being sold or replaced.

*a.* The notice shall be signed by both the applicant and the producer attesting that the notice has been read aloud by the producer or that the applicant did not wish the notice to be read aloud (in which case the producer need not have read the notice aloud) and that a copy of the notice was left with the applicant.

*b.* The notice shall list all life insurance policies or annuities proposed to be replaced, properly identified by name of insurer, the insured or annuitant, and policy or contract number if available; and shall include a statement as to whether each policy or contract will be replaced or whether a policy will be used as a source of financing for the new policy. If a policy or contract number has not been issued by the existing insurer, alternative identification, such as an application or receipt number, shall be listed.

**16.24(3)** In connection with a replacement transaction, the producer shall leave with the applicant at the time an application for a new policy or contract is completed the original or a copy of all sales material. A copy of any electronically presented sales material shall be provided to the policyholder in printed form no later than at the time of policy or contract delivery.

**16.24(4)** Except as provided in subrule 16.26(3), in connection with a replacement transaction, the producer shall submit to the insurer to which an application for a policy or contract is presented a copy of each document required by this subrule, a statement identifying any preprinted or electronically presented insurer-approved sales materials used, and copies of any individualized sales materials, including any illustrations related to the specific policy or contract purchased.
