

191—5.7(505) Ordering withdrawal of domestic insurers from states. Upon a finding, after notice and opportunity for hearing, of substantial likelihood of future financial impairment of a domestic insurer due to persistent operating losses in any line of business in any state where the insurer does business, the commissioner may order a domestic insurer to withdraw and cease doing business in that line of business in that state or in the alternative, order the insurer to withdraw and cease doing business in all lines, pending further order. For the purposes of this rule, impaired or threatened financial solvency is deemed to exist where an insurer experiences a reduction of 5 percent or greater in surplus in any 12-month period from all cases, including the regulatory environment in a state.
