

**281—43.1(285) Intra-area education agency routes.**

**43.1(1)** Bus routes within the boundaries of transporting districts as well as within designated areas must be as efficient and economical as possible under existing conditions. Duplication of service facilities shall be avoided insofar as possible.

**43.1(2)** A route shall provide a load of at least 75 percent capacity of the bus.

**43.1(3)** The riding time, under normal conditions, from the designated stop to the attendance center, or on the return trip, shall not exceed 75 minutes for high school pupils or 60 minutes for elementary pupils. (These limits may be waived upon request of the parents.)

**43.1(4)** Pupils whose residence is within two miles of an established stop on a bus route are within the area served by the bus and are not eligible for parent or private transportation at public expense to the school served by the bus, except as follows:

*a.* Bus is fully loaded.

*b.* Physical handicap makes bus transportation impractical.

All parents or guardians who are required by their school district to furnish transportation for their children up to two miles to an established stop on a bus route shall be reimbursed pursuant to Iowa Code subsection 285.1(4).

**43.1(5)** Transporting districts shall arrange routes to provide the greatest possible convenience to the pupils. Distance pupils who are required to transport themselves to meet the bus shall be kept to the minimum consistent with road conditions, uniform standards and legal requirements for locating bus routes.

**43.1(6)** Each bus route shall be reviewed annually for safety hazards.
