

281—43.22(321) Fee collection and distribution of funds. The department of education, commencing with the biannual school bus inspections for the 2002-2003 school year and each year thereafter, shall assess a fee for each school bus or allowable alternative vehicle (pursuant to rule 761—911.7(321)) inspected by the department. The department shall present for payment a fee statement to the owner of each school bus or allowable alternative vehicle inspected.

The department of education shall submit an annual budget request for an amount equal to 100 percent of the total projected fees to be collected during the next fiscal year which shall be based on an amount equal to the number of school bus and allowable alternative vehicle inspections completed during the previous school year multiplied by the inspection fee authorized by statute.

One component of the annual budget shall be an annual “school bus driver and passenger safety education plan.” The plan shall outline the projects and activities to be included during each year. These projects and activities may include, but not be limited to, curriculum development costs, printing and distribution of safety literature and manuals, purchase of equipment used in conducting school bus safety education programs, and other expenditures deemed appropriate by the department of education.
