

441—59.7(216A,PL97-35,PL98-558) Vendor agreement. A signed utility vendor agreement must be on file with the LAA before payments may be made to the vendor. If a fuel supplier does not sign a vendor agreement, a direct payment may be made to the eligible applicant. In cases where a vendor has not complied with all provisions of the vendor agreement, the state may approve direct payments to clients as an alternative.
