

567—100.3(455B,455D) Permit required. No public or private agency shall construct or operate a sanitary disposal project or solid waste management activity without first obtaining a permit from the department. In order to be issued a municipal solid waste sanitary disposal project permit, the permit applicant must also satisfy the comprehensive planning requirements set forth in 567—Chapter 104. The issuance of a permit by the department in no way relieves the applicant of the responsibility of complying with all other local; state; or federal statutes, ordinances, and rules or other requirements applicable to the solid waste management activity.
