

567—101.1(455B) Purpose, applicability, and compliance. The purpose of this division is to provide sanitary landfill-specific requirements for sanitary disposal projects regulated in Divisions II, III, and IV of this chapter. All sanitary landfills regulated in Divisions II, III, and IV of this chapter must comply with the provisions of this division and with 567—Chapter 100, except as noted below and in those respective divisions.

101.1(1) Municipal solid waste landfills that did not receive waste after October 9, 1994, shall be governed by the closure permit issued or the rules in place at the time for post-closure activities.

101.1(2) All rules, standards, technical guidance, and other similar legal or technical documents referenced in this division shall be the version of those documents in effect on August 1, 2025, unless otherwise noted in these rules, and except for references to the Iowa Code and Iowa Administrative Code, which shall always be the most recent version unless otherwise noted in these rules.
