

567—101.201(455B) Applicability.

101.201(1) This division shall apply to sanitary landfills that are constructed and operated exclusively for the final deposition of industrial solid waste or C&D, known for purposes of this chapter as industrial landfills.

101.201(2) Pursuant to Iowa Code section 455B.305(1), an industrial landfill shall not be constructed or operated without first obtaining a permit from the department pursuant to this division, the requirements set forth in 567—Chapter 100, and Division I of this chapter.

101.201(3) The issuance of a permit to an industrial landfill pursuant to this division in no way relieves the applicant of the responsibility of complying with all other local; state; or federal statutes, ordinances, and rules or other requirements applicable to the construction and operation of an industrial landfill.

101.201(4) All rules, standards, technical guidance, and other similar legal or technical documents referenced in this division shall be the version of those documents in effect on August 1, 2025, unless otherwise noted in these rules, and except for references to the Iowa Code and Iowa Administrative Code, which shall always be the most recent version unless otherwise noted in these rules.
