

567—101.204(455B) Permit applications. Unless otherwise authorized by the department, a permit applicant shall submit on a form prescribed by the department the requirements in 567—Chapter 100 and Division I of this chapter, as well as the following information.

101.204(1) A detailed description of the disposal process to be used. The department may request additional details to ensure compliance with all operation requirements.

101.204(2) A table listing the equipment to be used, its design capacities, and expected loads.

101.204(3) A closure/post-closure plan that:

a. Details how and when the facility will be closed in accordance with applicable requirements of this division.

b. Describes the proposed groundwater monitoring plan, leachate control system, and site inspection and maintenance activities necessary to comply with this division.

c. States the name, address, and telephone number of the person or office to serve as a contact with regard to the facility during the post-closure period.

101.204(4) Such other information as may be required by the director.
