

567—101.405(455B) Permits. Pursuant to Iowa Code section 455B.305(1), and except as provided 567—101.404(455B), no person shall construct or operate a solid waste transfer station without first obtaining a permit from the department pursuant to this division and 567—Chapter 100.

101.405(1) Plans. In addition to the provisions of 567—100.5(455B,455D), a solid waste transfer station permit applicant shall address the following on a form prescribed by the department.

a. Design plan. An engineering design, including applicable approvals from responsible government agencies and public entities, and engineering plans and specifications completed by the professional engineer listed in 567—subparagraph 100.5(1)“a”(4) detailing how the site will comply with 567—101.403(455B), 567—101.406(455B), and 567—101.408(455B).

b. Operations plan. A plan of operations detailing how the site will comply with 567—100.9(455B,455D), 567—101.407(455B), and 567—101.410(455B).

101.405(2) Duration. A solid waste transfer station permit shall be issued and may be renewed for a period of no longer than five years. Renewal applications shall be subject to the provisions of all rules of the department in effect at the time of the renewal.
