

567—102.600(455D) Purpose; applicability; compliance. This division is to ensure the proper removal and disposal of electrical parts containing polychlorinated biphenyls (PCBs), components containing mercury, and refrigerants (e.g., CFCs and HCFCs) from discarded appliances.

102.600(1) All discarded appliances must be demanufactured pursuant to this division before being disposed of or recycled. This division does not apply to the service, repair, reuse, or rebuilding of appliances or components for their original purpose. These rules do not apply to the removal of capacitors, refrigerants, or components containing mercury during the maintenance or service of equipment containing such items.

102.600(2) Compliance with this division in no way relieves the appliance demanufacturer of the responsibility of complying with all other local, state, or federal statutes, ordinances, and rules and other applicable requirements.

102.600(3) All rules, standards, technical guidance, and other similar legal or technical documents referenced in this division shall be the version of those documents in effect on August 1, 2025, unless otherwise noted in these rules, and except for references to the Iowa Code and Iowa Administrative Code, which shall always be the most recent version unless otherwise noted in these rules.
