

567—109.1(455B,455E) Purpose. The purpose of this chapter is to provide direction for the department's implementation of certain financial assistance programs that are funded from the solid waste account within the groundwater protection fund as described in Iowa Code section 455E.11, including the solid waste alternatives program as described in Iowa Code section 455E.11(2) "a"(1)(c); the derelict building program as described in Iowa Code section 455E.11(2) "a"(1)(d); the Iowa solid waste environmental management systems program as described in Iowa Code section 455E.11(2) "a"(1)(c); and other waste management assistance programs as described in Iowa Code section 455E.11(2) "a"(2)(a)(1)(iv). All rules, standards, technical guidance, and other similar legal or technical documents referenced in this chapter shall be the version of those documents in effect on August 1, 2025, unless otherwise noted in these rules, and except for references to the Iowa Code and Iowa Administrative Code, which shall always be the most recent version unless otherwise noted in these rules.
