

567—134.1(455B) Scope. The purpose of this chapter is to provide rules for the certification of groundwater professionals, compliance inspectors, and other UST professionals, including certification qualification, fees and administration. All rules, standards, technical guidance, and other similar legal or technical documents referenced in this chapter shall be the version of those documents in effect on August 1, 2025, unless otherwise noted in these rules and except for references to the Iowa Code and Iowa Administrative Code, which shall always be the most recent version unless otherwise noted in these rules.

[ARC 0490D, IAB 8/19/26, effective 9/23/26]
