

481—552.27(155A) Collaborative pharmacy practice.

552.27(1) Agreement. A pharmacist or pharmacy may engage in collaborative pharmacy practice under a collaborative pharmacy practice agreement with one or more practitioners who are authorized to independently prescribe, or as established by a health system pharmacy and therapeutics committee, to provide patient care and drug therapy management services to one or more patients.

552.27(2) Standards.

a. A collaborative pharmacy practice agreement will be reviewed and updated as necessary by all parties every two years and will include:

(1) The identification of the parties to the agreement, including the name(s) or category of the pharmacist(s), including registered pharmacist-intern(s) under the supervision of a pharmacist, who are authorized to perform delegated activities under the agreement and the name(s) or category of the practitioner(s) who are delegating activities under the agreement;

(2) The establishment of the delegating practitioner's scope of practice authorized in the agreement and a description of the permitted activities and decisions to be performed by the pharmacist(s);

(3) The protocol, formulary, or clinical guidelines that describe or limit the pharmacist's authority to perform the patient care or drug therapy management services and, as applicable, the drug name, class or category provided under drug therapy management;

(4) A description of the process to monitor compliance with the agreement and clinical outcomes of patients;

(5) The effective date;

(6) A provision addressing termination of the agreement; and

(7) The signatures of the parties to the agreement and dates of signing unless established by a health system pharmacy and therapeutics committee.

b. Any agreement will be maintained by the pharmacist(s) or pharmacy and be available upon request or inspection.

c. Prior to engaging in activities provided by the agreement, each pharmacist will document attestation that the pharmacist has read and understands the agreement.
