

481—555.4(124,155A) Policies and procedures. Each EMS program will, in collaboration with the medical director or pharmacy that owns the drugs used at the EMS program, establish and follow policies and procedures for the handling and utilization of prescription drugs and the storage and security of program and drug records.

[ARC 9341C, IAB 6/11/25, effective 7/16/25; see Delay note at end of chapter]
