

481—556.5(124) Security.

556.5(1) Board. The board will collect, store, and disseminate program information using technology that utilizes encryption as defined in Iowa Code section 715C.1.

556.5(2) Integrated systems. A practitioner, pharmacy, or health care system utilizing an integrated system to connect its electronic health record or data processing system with the PMP will:

a. Ensure the maintenance of user access logs for four years from the date of access, including the identification of the practitioner for which a delegate accessed program information.

b. Ensure the maintenance of adequate security to prevent unauthorized access, disclosure, or theft of program information.

c. Notify the board within 72 hours of any breach in the electronic health record or data processing system that may have included program information.
